About Potomac Healthcare Solutions:
Potomac Healthcare Solutions is an award-winning, dynamic, and rapidly growing healthcare services company with a proven background in providing world-class health services for both government and commercial organizations. We are actively recruiting skilled, caring practitioners to support our rapidly growing program base and supported healthcare facilities. If you would like to be a part of a quality-driven organization and make a difference, we would like to talk to you!

About the Position:
MUST BE A U.S. CITIZEN. Work with the most elite warriors on the planet, the U. S. Navy Seals. The job satisfaction of our staff members working with our special operations units is overwhelming. Be a part of the team! The Nurse Case Manager provides professional assistance to health care finders to identify patient’s needs for referrals to appropriate health care providers or facilities. Additionally, he or she will oversee discharge-planning activities to ensure ideal timing and sequencing of patient care.

Position Duties and Responsibilities:
• Provide a full range of professional health nursing principles, practices and procedures in clinical settings in order to analyze the full scope of problems associated with providing appropriate, cost effective care.
• Collect, organize, record and communicate data relevant to primary health assessments including a detailed medical history.
• Possess the ability to seek feedback from peers, professional colleagues, clients and outcomes research.
• Skills to consult with health care providers at all levels and negotiate with outside providers for services and products.
• Assess patient via the telephone, using established protocols.
• Establish priorities for patient care monitor and evaluate progress.
• Oversee discharge-planning activities in order to ensure ideal timing and sequencing of patient care.
• Provide professional assistance to healthcare finders
• Negotiate, write, finalize and administer product/service agreements.

Required Education/Certifications/Clearance
• Current, full, active, and unrestricted license to practice nursing in the state of California
• Minimum of two years nursing experience
• Certified as a case manager by a recognized certifying organization, i.e. Commission for Case Management Certification or American Nurse Credentialing Center
• Must be proficient in the English language
Potomac Healthcare Solutions offers the following benefits:

- Medical, Dental and Vision Insurance
- Employer-paid Basic Life and AD&D
- Employer-paid Short-term Disability
- Voluntary Life and AD&D
- 401(k) Retirement Plan
- Holiday
- Paid Time Off
