Seeking Full Time Licensed Counselors in California

Workit Health is seeking state licensed clinicians with substance use disorder counseling experience. Must have at least a Master's Degree, and be able to work full time from our Emeryville, CA office.

About Us: Workit Health (www.workithealth.com) is an innovative digital health company that provides psycho educational support services and treatment for substance use disorders. We offer online telecounseling and telemedicine services as well as a customized digital program to support them around the clock. It's an exciting, fast-paced, dynamic place to be, and very rewarding work!

Job Responsibilities:

• Hires, trains, and supervises team of telehealth counselors and peer coaches.

• Must complete and maintain accurate records or reports regarding the patients' histories and progress, services provided, and all per Workit's mission and guidelines.

• Provides a full-range of supportive SUD services including brief individual counseling, intensive counseling, case management, and consultations to support strength-based discharge planning and continuity of care.

• Participates in case conferencing with clinical supervisor and director to assess client needs, progress, documentation, and exit planning.

• Prepares all related treatment documentation in accordance with applicable organizational and state standards in a clear, thorough, and timely manner. Experience with electronic health records essential.

• Intervenes as an advocate for clients to resolve emergency problems in crisis situations. Provide client and/or family members with information about addiction issues and about available services or programs, making appropriate referrals when necessary.

• Communicating with service providers outside of the organization to market, refer, and collaborate enhancing client care.

Minimum Requirements:

• Master’s degree from an accredited college or university in a mental health related field such as Psychology, Counseling, Social Work, Marriage and Family Counseling with course work and experience in the treatment of substance use disorders. Must have licensure that allows for counselor to assist clients unsupervised.
• State licensure as a Clinical Mental Health Social Worker, Professional Counselor, or MFT. Certification as an Alcohol & Drug Counselor preferred (if claiming license eligibility, applicant must be able to provide documentation). One (1) year licensed experience providing SUD services in an inpatient or outpatient setting is preferred.

• Ability and willingness to do work via computers; familiarity with google doc, spreadsheets, documentation, videoconferencing and secure email. Must agree to maintain computer and internet accessibility as these are essential to providing online counseling services. Must be interested in telehealth solutions.

• Strong counseling, CBT, and motivational interviewing skills. Ability to apply evidence-based therapeutic interventions.

• Strong time-management and organizational skills.

• Must be able to develop clear and concise reports in a timely manner.

• Enthusiasm for revolutionizing the way addiction is addressed and treated is preferred! Note that we welcome employees who are in recovery themselves (many on our team are so you’ll be in good company).

**Required Experience:** At least one recent year of counseling experience and experience supervising other counselors.

**Job Type:** Full-time

**To Apply:** Email cover letter and resume to cassandra@workithealth.com
